

The Admission Policy

Clinton Christian School is highly selective, enrolling children who are well behaved and self-disciplined. Our school admits students of any race, color and national or ethnic origin. To initiate the enrollment process, potential school families must interview to learn about all school rules and procedures. Factors that will also help the admissions committee render a decision are the recommendations, entrance testing scores in the 80 to 90 percentile, report cards, and standardized test scores. Clinton Christian School will select students for admission who show the potential and desire to succeed in a rigorous academic environment. All potential students, especially high school students, in reviewing their educational history, will show evidence of growth in their spiritual walk.
