Fees are not included in the tuition payments and are not refundable. Tuition may be paid by the year monthly through FACTS. Under the yearly tuition plan, tuition and all applicable fees are due by July 1. Under the 10 or 11 month plan, tuition and all applicable fees are paid in equal payments to be made on the 5th or 20th of each month, beginning in July. Regardless of the tuition payment plan elected, the parents or guardians are obligated to pay the full tuition for the entire semester and will not receive any refund of tuition in the event the child withdraws, transfers or is dismissed.

Tuition, extended time, and transportation fees are based on reasonable economic trends. Though adjustments are not anticipated, radical changes in the economy or other circumstances may result in adjusted rates. In its sole discretion, the school reserves the right to adjust tuition, extended time, and transportation rates and fees. Disposition of tuition and other fees upon the suspension, withdrawal, transfer, and/or dismissal of a student is addressed on the back of the enrollment form.
