The Administrator's Corner

I thank God for giving me the awesome privilege of leading Clinton Christian School into her next 40 years of impacting our world with the life-changing love and message of Jesus Christ. As the Administrator of this vital Christian educational ministry of Life Church, I have already been greatly blessed by the warm welcomes and prayers of the faculty and staff, as well as many parents and students. I look forward to working together as we partner to provide the very best Christian education for our children.

As the Administrator, I am first and foremost responsible to carry out the policies established by our School Board. The School Board is composed of the Pastor and Deacons of Life Church. These faithful men have proven their love for this ministry time and time again. We are truly blessed to have such a Godly School Board to provide oversight for God's work here at Clinton Christian School.

Life Church is my home church. Although we are currently a small group of believers, we believe that God is preparing us for tremendous growth in all areas. On behalf of Pastor Bonar and the Life Church family, please feel free to come and worship with us on Sundays at 11am. Just

...I will teach you the good and the right way. 1 Samuel 12:23b

remember that you are, and will be, welcome at Life Church.

As the parent of two adult children and two CCS students, I am extremely thankful for our faculty and staff. These qualified individuals minister at CCS because God called each of them to this very special labour of love. **Please make it your habit to pray with your child for your child's teacher(s) and for the total CCS program.**

Finally, I thank God for the CCS parents. I am very thankful to them for entrusting their precious ones to us. As we seek to provide a quality college preparatory Christian education for our students, I am committed to parental involvement. It is my pleasure to serve our students, parents, faculty, and staff as the administrator for the years to come. My goal is to lead Clinton Christian School into another wonderful forty years of excellence.

I have included much pertinent information in this monthly newsletter. Please take the time to read and then digest as much of it as possible.

I will make myself accessible to you as often as possible. Please feel free to approach, to call, or to email me as the LORD leads you.

May God bless and keep you and cause His face to shine upon you!

Prayer for Success!
